

**CONSIDER
DONATING YOUR PRODUCT**

In 2024 Licensing Expo is working closely with Delivering Good to collect donated product from our exhibit halls and distribute them to worthy organizations and needy families in the local communities.

Why donate your new products (not samples or prototypes)? We have three reasons....

- 1. All donations received will be used to help children and families living in poverty or near poverty in the local community.**
- 2. Saves the expense of shipping the product(s) back to your warehouse and any repacking charges for goods.**
- 3. It's sustainable, every item donated is one less discarded.**
- 4. It may be tax deductible.**

Delivering Good volunteers will be walking the show and handing out donation forms and labels.

PLEASE ensure that each item to be donated is clearly described on the form and that it is clearly marked with the appropriate Delivering Good label for this event. Additional forms are available from Delivering Good representatives, located at the Exhibitor Services Center towards the rear of Hall D.

Thank you for considering a donation to Delivering Good and, through them, to the many organizations, families and children which benefit from your contributions.

Your decision to donate today will have a lasting impact on their lives and futures.

For more information on Delivering Good, your donation and the organizations served, please contact:
